What are my obligations?

- You should take reasonable care to give us complete and accurate answers to any questions we reasonably ask whether you are taking out or making changes to your policy.
- You should comply with your duties under the policy and take reasonable steps to minimise any loss or damage.
- You should also tell us about any changes to your answers that may require us to change the terms of your policy.

When and how do I pay?

- Your premium is amount you paid to your issuing agent as a one-off payment at the point of purchase by either credit or debit card.

- For an Annual Multi Trip policy, cover starts on the start date you requested when you took out the policy. This date is shown on your policy schedule. Cover ends one year later and is also shown on your policy schedule.

How do I cancel the contract?

If you take out cover and then change your mind, you can cancel your policy, and a partial or full refund of premium may be made unless you have already travelled or made (or plan to make) a claim.
